Chevrolet Corsica

The Chevrolet Corsica (named after Corsica, France) is a front-wheel drive compact car that was produced by Chevrolet from 1987 to 1996. The Corsica was built upon the L-body platform. It shared the L-body with the 2-door Beretta, and the rebadged revival of the Pontiac Tempest which was essentially the same car, but was only sold in Canada. The Corsica came in two styles and four trims.
